B.2 New Activities

(a) Units with Approved Vacancies for Modernization

BRHA will use Capital Fund Program (CFP) funds to modernize units per a yet to be compiled bid schedule. BRHA will use all available CFP funds budgeted for this purpose. The actual number of units modernized will depend on bid awards and being able to schedule apartments to be vacant. The modernization process will begin once the completion date of the camera project is known – estimated to be September 2022.

(b) Repositioning

BRHA is in the process of Repositioning its Public Housing property. The Repositioning Feasibility Study completed in early 2022 recommended BRHA apply to the Florida Housing Finance Corporation for LIHTCs. BRHA is on course to submit the application in December 2022.

B.3 Progress Report

The Boca Raton Housing Authority continues to maintain its objectives to serve extremely low and very low-income families in all of its programs. Public Housing continues to have a low turn-over rate. BRHA uses the Public Housing waiting list to fill vacancies. The list was last opened in September 2020. BRHA uses the HCV waiting list to issue vouchers. The HCV wait list was last opened in February 2021. BRHA continues to work with local social agencies to support its local preferences for homeless families and veterans for both the Public Housing and HCV programs. The agencies will provide continuing support if needed by the families housed by BRHA. In 2022, BRHA amended its porting policy to permit applicants to port out immediately upon receiving a voucher.

1. To continue to vigorously develop resources via grants, partnerships, training/education, government-private sector funding etc.:

- BRHA applied for several CDBG grants including property wide security cameras for our public housing complex estimated to be completed by December 2022) and property wide sidewalk repair (completed in June 2022). Once the camera project is completed, the asphalt may also be repaired and repaved.
- The Housing Authority will use Capital Fund Program grants to make unit renovations/repairs for kitchens, bathrooms etc. once the security camera project is completed.
- BRHA continues its local partnerships which provide training and educational programs for our Pearl City CATS Children's Program.
- BRHA will apply for the 2023-24 ROSS grant.
- Our FSS program continues to be a benefit for HCV program participants and the PCC Board plays an active role.
- The GED-ESOL Program at the Lois Martin Community Center has resumed. BRHA is in the process of offering childcare at night for parents to be able to attend.
- Our CATS children's program continues to receive a food grant from the State which provides dinner to all 60 participants. This continues to be a needed service for the children.
- Since February 2016, the CATS program has been awarded an annual grant for Robotics by the Children's Services Council of Palm Beach County. BRHA has been awarded this grant for the 2022-23 program year. BRHA will continue to apply for this grant.

2. To provide in house training for staff to ensure they best serve our clients and continue to be updated on all HUD rules and regulations:

- Staff members take classes, are certified and brought up to date through manuals and regular updates provided by outside professionals.
- Staff participated in a Fair Housing seminar in 2022 and will participate in 2023 as well.
- BRHA's legal counsel is available for coaching on in house policies.

DRAFT

- BRHA actively follows and enforces the dissemination of the protection of Violence Against Women Act (VAWA) materials.
- Staff members work closely with Palm Beach County Sheriff's Department to minimize fraud in the Public Housing program and the HCV program.
- BRHA aggressively pursues families who have committed fraud through a strong repayment process.
- BRHA continues to follow all applicable rules to meet HUD's requirements for the State registered Lifetime Sex Offenders in Federally Assisted Housing (PIH 2012-18 issued June 11, 2012).

3. Provide counseling for a greater number of clients seeking homeownership:

- All Homeownership and financial literacy classes continue to be available to all voucher holders (including FSS participants) and Public Housing residents through but limited to, Housing Foundation of America and Debt Management Credit Counseling Corp (DMCCC).
- Public Housing residents and local residents can attend virtual classes/workshops on subjects including financial literacy.

4. Make an affordable unit list more available to our entire client base:

- Landlords and tenants are directed to Affordablehousing.com to post listings and view listings. In 2022, BRHA posted a landlord list on its website for HCV holders, and it is updated as needed.

5. Greater outreach to new and potential HCV landlords and continuing outreach to current Section 8 landlords:

- Landlords use BRHA's redesigned website (www.bocahousing.org) to access commonly used forms and get up to date information.
- 99.99% of our landlords are now direct pay.
- BRHA increased the landlord incentive amount few times to its current \$1,000. This incentive is paid to a landlord that executes a lease for a new voucher holder. BRHA continues to look for new incentives to recruit and maintain landlords.
- Ensure equal opportunity and affirmatively further fair housing by continuing to comply with Title VI of the Civil Rights Act of 1964 and all other applicable Federal Laws and Regulations. The Housing Authority will ensure that admissions and occupancy to all of its programs continues to be conducted without regard to race, color, religion, creed, sex, handicap, sexual orientation, or national origin.

6. Improve the quality of BRHA assisted housing and the quality of life for BRHA's program participants:

- BRHA continues to explore additional funding for its programs. In recent years, BRHA has applied for CDBG grants through the City of Boca Raton as stated above. Several of those applications were awarded totaling over \$814,000.
- The City of Boca Raton continues to provide a Community Police Officer at its Public Housing complex. The officer is provided an office at the Lois Martin Community Center located in the complex. The officer is a strong presence at the property and engages in tenant events. The officer's presence in the community continues to make a significant difference. The property continues to have a low crime rate. The officer engages directly and often with our residents. BRHA continues to work with supportive services for its participants as needed.
- The Pearl City C.A.T.S. Children's Program primarily serves Dixie Manor residents but is open to the public for enrollment. In the program, participants take part in a variety of activities and community services. Activities include Ballet, Painting Classes, Robotics, STEAM Classes, Gardening, Computer Classes, swimming lessons and much more. Tutoring and homework assistance is also available to students enrolled in the program. The program continues to score high on the Quality Improvement System (an outside independent multi-level system designed to improve the quality of after-school programs). For 2022, the CATS Program remained at maintenance level scoring 4.25 out of 5.00 on the annual Quality Improvement System assessment.
- Promote self-sufficiency for families and individuals: BRHA continues to administer its Housing
